SUPPLEMENT TO AMENDED BRIEF ON APPEAL

Mail Stop Appeal Brief - Patents
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

An Amended Appeal Brief was filed on March 6, 2006. Upon review of the Amended Appeal Brief and a notice received in an unrelated appeal before the Board of Patent Appeals and Interferences, Appellant submits this letter enclosing a Related Proceedings Appendix, which was not included with the Amended Appeal Brief. MPEP Section 1205.02(x) states that the Related Proceedings Appendix "should be included with the designation 'none'" when there are no such copies of decisions being submitted in the appeal. However, in an unrelated appeal, the undersigned was informed by a Deputy Appeal Administrator that the Related Proceedings Appendix must be included. Accordingly, the Related Proceedings Appendix omitted from the Amended Appeal Brief is attached, and should be appended to the Amended Appeal Brief after the Evidence Appendix.

The undersigned was authorized by Richard A. Negin, Reg. No. 28,649, an attorney of record in the subject application, to prepare and file this Supplement to Amended Appellant's Brief on behalf of the Assignee. Correspondence should be directed to Chief Patent Counsel, BASF Catalysts LLC, 101 Wood Avenue, P.O. Box 770, Iselin, NJ, 08830-0770.

Respectfully submitted,
